

Brighter Colors Brighter Life

Product Data Manager (m/f/d)

March 23, 2022

We are looking for a **Product Data Manager (m/f/d)** for our location in Frankfurt am Main.

Main Responsibilities:

- Ownership for Regulatory Compliance Processes
- Product / substance related data evaluation and maintenance
- Ensure the availability of regulatory documents related to products / substances of Heubach Group
- Subject Matter Expert
- Represent Heubach Group positions within the area of expertise

Your Profile:

- Bachelor / Master degree in chemistry or in a chemistry related science, preferably with doctorate
- Minimum 3 years business experience
- Sound knowledge in chemical legislation
- Good knowledge in SAP & EHS
- Training in the field of safety data sheets is an advantage
- Very good English language skills; German preferred
- High motivation and reliability

Our Offer:

- Highly interesting, versatile and challenging work environment
- High degree of flexibility in your activities and tasks
- Attractive remuneration and excellent employee benefits
- We provide the benefits of a modern company
- Tailored trainings to support your development needs

The Heubach Group is a leading manufacturer of pigments, pigment preparations and specialty materials and has a global production and sales network with 19 production sites. Around 3,000 employees already contribute to the company's success. We see the responsible use of resources, but above all the promotion and development of our employees, as key to the success of our company.

Since the beginning of this year, Colorants Solutions Deutschland GmbH has been a subsidiary of the Heubach Group.

If you are ready to take the challenge at Heubach and the job description inspires you and corresponds to your qualification, please send your application via email at
