**Jessica Wingenbach**  
**HR Consultant**  
Colorants Solutions Deutschland GmbH  
Human Resources  
Brüningstraße 50  
65926 Frankfurt

### Your Profile:

- Bachelor / Master degree in chemistry or equivalent education, preferably with doctorate
- Sound knowledge of Product Stewardship, customer support; global chemical legislation & registration
- Good knowledge in toxicology & ecotoxicology; evaluation of chemicals is an advantage
- Very good English language skills; German preferred
- Excellent communication skills with a strong network to potential customers and external partners
- High motivation and reliability

### Our Offer:

- Highly interesting, versatile and challenging work environment
- High degree of flexibility in your activities and tasks
- Attractive remuneration and excellent employee benefits
- We provide the benefits of a modern company
- Tailored trainings to support your development needs

The Heubach Group is a leading manufacturer of pigments, pigment preparations and specialty materials and has a global production and sales network with 19 production sites. Around 3,000 employees already contribute to the company's success. We see the responsible use of resources, but above all the promotion and development of our employees, as key to the success of our company.

Since the beginning of this year, Colorants Solutions Deutschland GmbH has been a subsidiary of the Heubach Group.
